

Why The GDK Group

CERTIFICATION

GDK's excellent track record is further affirmed via third party certification confirmations. Certified by BSI, the leading ISO certification body globally, and Woodmark, one of the founding certifying bodies of the FSC & PEFC Certification Associations, GDK's excellence and integrity in production and process is recognised globally.

Certified since 2011, GDK has successfully maintained and surpassed all audit and external reviews year after year.

GDK's recognised certifications include:

ISO9001: Quality Management
ISO14001: Environmental Management
AS/NZS4801: OH&S
FSC: Forest Stewardship Council
PEFC: Programme for the Endorsement of Forestry Certification.

The mark of responsible forestry

TRACK RECORD OF EXCELLENCE

In both the corporate fitout and construction space, and the strategic procurement space, GDK has successfully delivered an exceptional track record both nationally and internationally.
